Series spotlight and ordering information

Book 1: The Dragon

Series Description

ASHA is the first human with superpowers—and the world isn't ready. Reckoning with grief, loss, and newfound abilities, she navigates a near-future world of advanced technology, hidden enemies, and a shadowy cabal that offers freedom at a deadly cost. Alongside her two best friends, Asha discovers loyalty, first love, and the consequences of unchecked power. From high school drama to cults, conspiracies, and life-or-death missions, the series combines relentless action with deeply felt emotion, hope in the darkness, and a grounded, (super)human story.
